Please see attached. V-Max Trans did [REDACTED] in the gliders for 2013 and 2012. This being the case we assume the most they can order because they did [REDACTED] 2013, which is the max annual build calendar year. Does V-Max have to complete a new application?

Sorry for the confusion

Sorry for the confusion. I'll get with V-Max. They did purchase [REDACTED] Gliders in 2013. Sounds like they only sent info on the 2014 because that was a requirement.

The letter that was sent to me from V-Max only indicated 1 glider produced in 2014 and zero for the other years.

OK Thank You- Question- V-max Built and sold [REDACTED] in 2014. They also did [REDACTED] in 2013. Isn't the total number they can do [REDACTED]

Attached is a corrected Request for Small Business Exemption as a Glider Vehicle Assembler for V-Max Transportation Inc. The model year should have been 2019. I have initialed the correction. Please let me know if you have any questions.
